## ***Why Buy from Fitness Expo?***

---

### **Leave your toolbox in the garage!**

**With our professional, certified delivery teams and In- House Service (I.H.S.) program, we do all of the sweating.**

### **Calibration and Adjustments**

**Critical adjustments are needed for your new machine to function properly. Fitness Expo will perform these in strict accordance to our high standards.**

### **In- House Service (I.H.S.)**

**During and after your warranty period, Fitness Expo will come to your home or business to provide service. You will never have to load your valuable investment into a truck, or risk damage by transporting it to us. This is an invaluable feature!**

### **Delivery, Installation, Shipping Charges\***

**Normal Delivery, Installation, & Shipping charges are already included in most of our prices. There will only be additional charges in the case of upstairs deliveries and non-stock or custom ordered equipment.**

### **In-Home Training**

**If you need, or desire, training on your new equipment, it is available in your home or business, by our staff. See your salesperson for details.**

### **Financing Options**

**0% financing or long-term payment plans are available. We also accept Visa, MasterCard, Discover, & American Express.**

▶ Fitness Expo has earned a reputation for providing outstanding service for the life of your exercise machine. Please review the above carefully, because they are an equally valuable part of your purchase.

▶ Remember that your purchase is only as good as the local company that stands behind it.

▶ Slightly lower “Do it Yourself” prices are available if you do not desire the above benefits.

- Select smaller items might not include delivery & installation, please ask your salesperson for clarification.
- Additional travel charges may apply outside of a 50-mile radius.
