XT685ENT TREADMILL

Enjoy thousands of miles uninterrupted with the newly designed XT685ENT. Elevate your training with the sleek charcoal metallic steel frame, spacious 22" x 60" running surface, reliable 4.0 HP PowerMax™ drive motor, and performance-oriented 15.6" ClearView+™ touchscreen. With a top speed of 12 MPH and 15 levels of incline, interval training is easier than ever – direct access speed and incline keys on the console and new rocker-style shifters conveniently located on the handrails enable fast changes on the go. Create custom programs or choose from a variety of preset options. Connect to your favorite 3rd-party apps and wireless headphones with built-in Bluetooth FTMS.

FEATURES

- Advanced 15.6" ClearView+™ touchscreen and swivel-tilt tablet holder
- Create your best workout with custom user profiles or choose from preset programs
- Screen mirror or stream from preloaded apps like Netflix, Disney+, HBO, and more
- New rocker-style speed and incline shifters for quick changes on the go
- 22" x 60" running surface and maintenance-free waxed deck for ultimate durability

- Intuitive User Interface
- Built-In Apps
- Track Your History
- Multiple Workout Views
- And More!
